Memorandum

TO : SAC, DALLAS (100-10461) DATE: 2/24/64

FROM : ASAC KYLE G. CLARK

SUBJECT: LEE HARVEY OSWALD, aka
IS - R - CUBA

Section Chief WILLIAM BRANNIGAN telephonically advised 11:53 AM this date that the Bureau had sent a XeroX copy of a letter from CIA, captioned Assassination of President JOHN F. KENNEDY. This was sent by routing slip. He referred to paragraph 5 regarding some evident scars, etc. on the hands and wrists of OSWALD and the possibility of requesting exhumation of OSWALD.

Mr. BRANNIGAN advised that no action should be taken along this line without Bureau advice and instructions.

Mr. BRANNIGAN referred to Dallas teletype dated 2/20/64 regarding the interview with THORNE, and requesting clarification as to MARTIN's refusal for interview.

Mr. BRANNIGAN was advised that during interview of THORNE, as set out in teletype, he stated he would advise MARTIN, his client, not to furnish information to the FBI. By way of clarification, Mr. BRANNIGAN was advised that at the time of the THORNE interview, THORNE telephonically contacted MARTIN and so instructed him, and at that time MARTIN advised the Agents that on advice of his attorneys, he would furnish no information concerning his association or activities with MARINA OSWALD.

Mr. BRANNIGAN advised that this clarification would be put in a memorandum at SOG and no further action need be taken by Dallas.
